## How it works

Denplan Care is tailored to fit your needs:

- The cost for Denplan Care is decided by your practice team. It's based on your oral health and how much dental care and treatment you're likely to need in the future
- After an initial assessment (which you may be charged for) you will be put into one of five categories depending on your oral health, which will determine your monthly fee
- It's worth remembering that treatment is always at the discretion of the practice team
- Your payment is collected by us monthly by Direct Debit. A one-off registration fee of £15 per person may apply upon joining
- You may save up to 15% with Family Group Discounts if one Direct Debit covers more than one Denplan patient registered at the same practice and if offered by your dental practice

Further information, benefit limits, exclusions and full terms and conditions can be found in the Denplan Care membership booklet.

## Explore the latest options

With your routine preventive and restorative treatments covered by Denplan Care, you may have budget spare to enhance your smile in other ways. These treatments are not covered by Denplan Care, but ask your practice team about the options available.
